It appears so, with star farming and deliberate incorrect grammar.

No.
She is not what she seems.
She is Venus.

~Quartz~

I changed my mind I'm staying

That one person who always gives you the opposite of help.

wats an alt?

Sorry everyone- Confidence

About ChattyDress49

maroondragon561

look nobody had better bring up the am egg incident, that is in the past. All i have to say about this is that it's probably just some kid who read quartz posts about venus and is trying to troll us, just ignore them, let the mods handle it if they feel the need to, they will.

ƧIGER

triplet with Rune and Time.
